

Hand finished in New Zealand

Developed especially for the Windsor Superior Solid Brass Range of products, our Pull Handles, Levers, Plates, Roses and Accessories are extruded, forged or machined from the finest quality solid brass. At our NZ factory, a variety of techniques are applied to achieve lustre, patina, tone and texture.

The Living Finishes collection will add a natural luxurious feel to your interior accents. Designed to transform beautifully over time, brass hardware is the perfect choice when considering style and durability ideal for the NZ climate.

Where a lacquer is required we offer Matt Lacquered for a specific low-sheen look, or the traditional Gloss Lacquered with a classic selection of finishes.

Powder Coat options are available on most products for a true customized colour theme.
